

ISS Course Syllabus

Teacher: Ms. Sharlene Jones
Course Title: Library

Grade: Kindergarten

Objective: To stimulate learning through the exposure of books that are age appropriate, to expose students to a variety of resources, authors, and genres and to motivate students to become avid engaged readers.

Goals:

- Developing love of “story time” and appreciation for the library
- Library procedures, proper care of books and conduct in the library
- Taking good care of the book chosen
- Keeping the book in a safe place at home
- Being a responsible reader and returning the book on time

Resources:

- ISS Library

Evaluation System: personal communication, discussions, book logs
