

Curriculum Document – Scope and Sequence

- Teacher: Marcus
- Grade Levels: 11

- Subjects: Algebra 2
- Semester: 2

		January	February	March	April
		Radical Expressions	Real Numbers	Quadratic Relations	Area & Volumes
		<ul style="list-style-type: none"> . Multiplying & dividing fractions . Adding & subtracting fractions . Equations with fractions . Applications of fractions 	<ul style="list-style-type: none"> . Rational & irrational numbers . Laws of radicals . Quadratic equations . Quadratic formulas 	<ul style="list-style-type: none"> . Distance formulas . Conic sections . Systems of equations . Application of conic sections 	<ul style="list-style-type: none"> . Area of polygons . Area of circles . Surface areas of solids . Volume of solids
