

Curriculum Document – Scope and Sequence

- Teacher: Marcus
 - Grade Levels: **9 & 10**

- Subjects: Geometry
 - Semester: **1**

	August	September	October	November	December
	Preparations & Diagnostic Testing	A Mathematical System	Proofs	Congruency	Similar Polygons
		<ul style="list-style-type: none"> . Point, lines, and planes . Definition . Geometric terms . Postulates and theorems 	<ul style="list-style-type: none"> . Logic . Reasoning . Two column proof . Paragraph proof 	<ul style="list-style-type: none"> . Congruent triangles . Corresponding parts . Inequalities . Quadrilaterals 	<ul style="list-style-type: none"> . Ratio and proportions . Definition and similarity . Similar polygons & triangles . Right triangle geometry
