Who is Inspire?

..a non-profit organization that aims to educate, mentor and INSPIRE boys on their journey and “teach practical life skills and instill positive values.”

Goals of INSPIRE DR PBSL!

- The goal of the Inspire DR PBSL is to support the Inspire DR organization in Cabarete. ISS students will visit and have the Inspire boys visit ISS and teach them life skills and instill positive values through sports/activities.
- Students will also create learning projects for the Inspire boys when they are in class.
- Ms. Johnston will also set up learning activities to support students that work with the Inspire boys.
- Students will create posters, books, and materials to support Inspire students to learn English.

Who should join?

Somebody who...

...wants to INSPIRE people in the community to become good citizens through sports.

...be a role model and make new friends.

...willing to spend 2-3 hours a month on/off campus visiting Inspire and working with the Inspire boys at ISS and going to beach cleanups.

...has a lot of energy and likes sports.

Who should join?

...unafraid to talk and make new friends at Inspire.

...willing to collaborate with student peers to solve a problem.

...wants to create projects and programs to help support Inspire students' learning

Events

- Beach Cleanups
- Sport/Activity visits
- Creating Sports
English Posters and
Booklets
- Fundraisers

Attendance

- Students will visit Inspire and host the Inspire boys here about 1-3 hours a month.
- Students will also be required to attend one beach cleanup a quarter. This will fulfill the ISS requirement of 15 community service hours per school year.
- It is expected that students attend all PBSL classes from 2:30-3:00 pm. If a student leaves school, there must be a reason from a parent emailed to Ms. Johnston and the ISS main office.
- Students may not miss PBSL lessons for other on campus clubs/activities or to see another teacher.
